Corporate

We have been producing Railed Lunapark Rides in our Gebze-Kocaeli plant in Istanbul, Turkey since 1958. We have been supplying amusement rides to our customers from different continents.

Our quality, prices and terms of service are quite competitive. We also assure that our products are of worldwide quality and accord with TUV standards.

Our systems fulfill the requirements of EN 13814 for Fairground and amusement park machinery and structures.

Our main products are: Roller Coaster, Bumper Cars, Panoramic Wheel, Alpine Coaster, Zipline, Adventure Park, Pirate Bike, Family Rides, Kids Rides, Major Rides and Thrill Rides.

Additionally, we can construct new rides of different sizes based on our customers' sketches, wishes and ideas.

In 2004 our technologies and new design techniques earned us the GOLDEN PONY AWARDS which confirms our quality and reliability in the world market.

Contact us and we shall satisfy all your wishes and make your dreams come true!

We proved our quality to the world
